

## Announcing Our New Dynamic Business Listings...That You Control

## Login, Upload & Change Your Ad Anytime

[Seeingit.com](http://Seeingit.com) is a feature-rich, and user friendly website that renders business listings and area attractions to consumers within a 100 mile radius including surrounding communities. We make businesses more accessible, and empower advertisers with an edit interface so they can post the latest, at the moment products, and promotions, to elicit consumer response.

[Post a listing](#) now where it appears in our community in real time. Continue leveraging our technology. Use a [tag line](#) on your printed receipts about your ad, and info on [Seeingit.com](http://Seeingit.com).

Since 2007, every week thousands of hotel guests, area residents, business owners and their employees use our free service to find top consumer needs and interests. And now, even the American Advertising Federation are hosting seminars advising ad agencies and marketers that community websites are successful mediums for placing ads and reaching targeted audiences.

Add personality with video shot from cell phone, amateur or pro video, and that's [Seeingit.com](http://Seeingit.com)!
